AM SALES & MARKETING SDN. BHD.

Exhibited Safety Products & Services In 14th Conference & Exhibition On Occupational Safety and Health (COSH)

August 2011

Event : 14th Conference & Exhibition On Occupational Safety and Health (COSH)
Date : 17~19 July 2011 (Sunday ~ Tuesday)
Venue : Kuala Lumpur Convention Centre, KLCC
Theme : E.A.R. (Empowerment. Accountable. Responsive)

AM SALES & MARKETING SDN. BHD. exhibited safety products and services in COSH 2011!

Highlights of AM SALES's booth in the exhibition:

I. MICROGARD® Coverall

AM SALES & MARKETING SDN. BHD. is proud to be the authorized distributor of MICROGARD® coverall in Malaysia.

In COSH 2011 Exhibition, we have one booth exhibiting MICROGARD® coverall including model MICROGARD® 1500 PLUS, MICROGARD® 2000, MICROGARD® 3000, MICROGARD® 4000, MICROGARD® 5000, & MICROGARD® FR.

Together with our principal of MICROGARD®, Mr. Billy Man, we explained further on the features, benefits, and advantages of these coveralls to the visitors and participants of COSH 2011.

In the midst of explaining MICROGARD® coverall features to our customers.

II. BEST® Glove

As the sole distributor of BEST® Glove in Malaysia, **AM SALES & MARKETING SDN. BHD.** showcased broad range of BEST® Glove, which including cut resistant gloves, chemical resistant gloves, disposable gloves, heat resistant gloves, and general purpose gloves.

We prepared few cut resistant gloves for users to try cut on these gloves using blades—and the results clearly show that our cut resistant gloves are good enough to withstand cut!

BEST® Gloves exhibition area and testing area for BEST® cut resistant gloves.

III. HexArmor® Glove

AM SALES & MARKETING SDN. BHD. is the authorized distributor of showcased broad range of HexArmor® Glove, a U.S. brand specializes in puncture and impact hand protection.

We demonstrated a few models of HexArmor® Glove which are applicable especially in Oil & Gas industry, with its special features which can withstand puncture, cut, and impact hazards.

We prepared a testing area for visitors to try punching needle stick on our needle-resistant gloves. The testing results proven that HexArmor® needle-resistant gloves can endure these punches from needles!

NIOSH Executive Director, Ir Hj Rosli Hj Hussin was trying to punch HexArmor puncture resistant glove with a needle.

Ir Hj Rosli Hj Hussin showed HexArmor glove with AM SALES's exhibitors.

IV. 3M™ Safety Products

As one of 3M Occupational Health & Environmental Safety products' distributors, we are proud to exhibit 3M safety products and information, which include respirators, earmuff, Speedglas, etc.

V. Chemical Management & Emergency Spill Control Training

AM SALES is offering a one-day course which is fully claimable from Human Resource Development Fund (HRDF), namely Chemical Management & Emergency Spill Control Training.

This course covers comprehensive theory and practical lessons on how to manage chemical storage and how to react when there's an emergency spill happen on the workplace.

This training is one of the highlights of **AM SALES**'s exhibition and those who purchase this training will enjoy further discount on certain safety products for training purpose!
